SEE THE **BEYOND**
THE **DATA**

All data is *not* created equal. Demand More from Your Assessments.

Pioneering the use of assessments and feedback in leadership development, CCL is a world leader in providing assessments that produce valid, reliable, and actionable results. Supported by more than 45 years of research, our assessments are the choice of industry-leading organizations because they provide:

- Superior-quality normative data from one of the world's largest leadership assessment databases
- Numerous customization options for maximum flexibility and ease of use
- Decades of world-renowned and consistently-updated CCL assessment research
- Availability in multiple languages
- Strict confidentiality providing increased accuracy and feedback

Leadership Assessments *now with CCL Compass** Insights are only as useful as what people do with them.

CCL helps transform personal data into actionable plans easily and without delay. No more information overload as you try to determine next steps. With **COMPASS**—our newest and most comprehensive online tool that analyzes, interprets, and presents assessment data in a concise and understandable way—leaders can transition immediately from reviewing insights to making positive changes in the areas most relevant to them. Now more than ever, CCL brings assessments to life so they can mean something real and then do something useful.
